SINGLES - Nothing could knock **Delta** of the top perch this week, with **Eric Prydz** storming in at #2 and just missing the top spot. **Joel Turner** and crew are slowing making their moves, up one to #3, switching places with **Christina** and **Missy E**. Also this week, **Maroon 5** slip back to #5 while **Missy Higgins** comes screaming back into the top 10 at #7.

No.2 CALL ON ME – Eric Prydz. Prydz is a producer / DJ and has released one of the biggest dance tracks of '04. *Call On Me* is a rework of **Steve Winwood's** classic, *Valerie* (#19 Dec '87). When **Winwood** heard the remix he thought it was so good he not only gave his permission to use the samples, he even re-recorded his vocals especially for the track. *Call On Me* has already peaked at #4 on the ARIA Club Chart.

No.23 1985 – Bowling For Soup. This is the first single for the boys from Texas to make the top 100. Did you know their name originated from **Steve Martin's** "Bowling for sh-t" routine on his 1979 classic comedy album *Wild and Crazy Guy*. Make sure you check out their film clip, it shows them portraying various 80's clip hits.

No.44 LEAN BACK – Terror Squad. Terror Squad is made up of female battle rap champ **Remy Ma**, R&B singer **Tony Sunshine**, **Fat Joe** (of *What's Luv?* fame #5 Jun '02) and his protégé **Big Punisher**. Taken off their album *True Story*, which has failed to make an impact on our charts, the single is doing well at home, peaking at #1 in the US and also doing the rounds of our nightclubs peaking at #17 on the ARIA Club Chart.

No.54 YOU MAKE ME WEAK – Jade Macrae. At the tender age of 3 **Macrae** began learning piano, followed by the violin at age 8. It was only natural then that **Jade** would go onto study music at the Sydney Conservatorium of Music. **Jade** worked with the likes of **Jimmy Barnes**, **Renee Geyer** and **Disco Montego**, to name a few, before signing with *Roadshow Music* and making her debut on the ARIAnet Charts this week.

No.57 FALL TO PIECES – Velvet Revolver. This is the second track released off their debut album *Contraband* (#2 Jun '04). Lead singer **Scott Weiland** (formerly of the **Stone Temple Pilots**) said of the band "we're all looking for a rebirth, to make music purely for the joy of it", and that is how **Velvet Revolver** evolved.

No.69 THE DROP – Regurgitator. Liberated from their 'bubble', **The Gurge** release the first track lifted off the album that was recorded entirely from inside the 'bubble' in the heart of Melbourne city. The long awaited album, *Mish Mash*, will be released early next month. **Regurgitator** have had success with their singles *Polyester Girl* (#14 Jul '98), *Black Bugs* (#32 Feb '98) and *New* (#30 Sep '95).

No.70 LET ME IN – Young Buck. This is the first single off the album *Straight Outta Ca\$hville* (#71 Sep '04). The 23 year old rapper hails from Nashville where he has worked with a myriad of hip hop and rap superstars including **Cash Money**, **Juvenile**, **Snoop Dogg** and the **G-Unit** crew.

ALBUMS – In the aftermath of last Sunday's ARIAs, while the music industry collectively recovered from hangovers, the music buying public were out in force at retail. **Jet** moved up just two spots but sales for *Get Born* were up 250% on last week. Only 2 strong debuts at #1 and #2 kept the rockers from the top spot. **Missy Higgins** held at #4 but enjoyed almost a 100% increase in sales while a massive 300%+ increase in sales saw the **John Butler Trio** go from #22 to #5. **Pete Murray** also re-entered the Top 10 at #10 with almost a 120% increase in sales while **Eskimo Joe**, **Kasey Chambers** and the **Cat Empire** all sold double what they did last week.

No.1 GREATEST HITS – Robbie Williams. The former member of 90s pop group **Take That** has achieved phenomenal success as a solo artist. He is no stranger to the Top 10 with his albums *Escapology* (#3, Dec. '02), *Swing When You're Winning* (#3, Feb '02) and *Sing When You're Winning* (#7, Sept. '00), and singles *Feel* (#10, Dec. '02), *Rock DJ* (#4, Oct. '00) and *Better Man* (#6, Jan. '02) all making the chart.

No.2 BEAUTIFUL LIFE – Guy Sebastian. Last year's Australian Idol has achieved the #1 position with every one of his releases except this one. These include the four times platinum single *Angels Brought Me Here* (Dec. '03), debut album *Just As I Am* (Dec. '03) and singles *All I Need Is You* (Mar. '04) and *Out With My Baby* (Oct. '04). **Guy** received an ARIA Award last week for Highest Selling Single for *Angels Brought Me Here*.

No.7 HILARY DUFF – Hilary Duff. America's favourite overachieving teenager has followed up her previous successes with her self-titled album. Her album *Metamorphosis* reached #19 (Nov. '03) and is still charting. It spanned the singles *Come Clean* which peaked at #17 (Jan. '04) and *So Yesterday* which reached #8 (Nov. '03). **Duff** made her start on television's *Lizzie Maguire* and is currently starring in the movie *A Cinderella Story*.

No.8 GREATEST HITS VOL.1 - Korn. The five piece from California formed in 1993 and began their career opening for the likes of **Ozzy Osbourne**, **Megadeth** and **Marilyn Manson**. Their previous albums *Take A Look In The Mirror* (#10, Dec. '03), *Untouchables* (#2, Jun. '02) and *Follow The Leader* (#1, Aug. '98) all reached the Top 10. The band has also achieved success with their annual Family Values Tour.

No.15 INDIGO – WOMEN OF SONG – Olivia Newton-John. **Olivia Newton-John** moved from Cambridge, England to Melbourne as a child and has since set up base in America. She began as a pop-country singer, with songs *I Honestly Love You* and *Have You Never Been Mellow*. She starred in the classic musical *Grease* in 1978 and followed up in *Xanadu* in the 1980s. Her most successful album in recent times was *Olivia – (2)* which peaked at #5 (Nov. '02).

No.16 BIG ONES GREATEST HITS – Lee Kernaghan. The new album from **Lee Kernaghan** made the #1 position on the Country Albums chart this week. His albums *Electric Rodeo* reached #5 (Jul. '02), *Rules of the Road* got to #16 (Feb. '00) and *Hat Town* peaked at #7 (Mar. '98). His single *Missing Slim*, in honour of the late **Slim Dusty**, peaked at #49 in Sept. this year.

No.22 ASTRONAUT – Duran Duran. **Duran Duran** took their name from a character in the 1968 sci-fi film, *Barbarella*. First formed in 1978, it wasn't until late 1980 that the band, with relatively new front man, **Simon Le Bon**, became popular in the developing New Romantic scene, which they would go on to dominate. Their provocative, and often controversial, videos were equally as memorable as their songs: *Planet Earth* (#8, '81), *Girls On Film* (#11, '81), *Hungry Like The Wolf* (#5, '82) to name just a few. Their self-titled debut album peaked at #9 (1981) with the sophomore album, *Rio*, achieving the #1 spot.

No.26 MIRACLE – Celine Dion. Once dubbed 'Canine Dion' for her large incisors, **Celine Dion** underwent a major makeover at the age of 18 so that she might achieve the star status she so desired. 100 million albums worldwide later would suggest that getting the incisors capped was a good idea. Chart highlights include five #1 albums – *The Colour Of My Love* (Sept. '95), *Falling Into You* (Aug. '96), *Let's Talk About Love* (Jan. '98), *All The Way...A Decade Of Songs* (Dec. '99) and *A New Day Has Come* (May '02).

No.36 ON ICE – Machine Gun Fellatio. As the story goes, **MGF** members **Pinky** and **Chit Chat**, took the demo of their new album into Triple J and asked listeners to vote on their favourite track which, in turn, determined the first single release. The result was other than the record company would've liked. **MGF** has had a couple of albums in the Top 100 – *Bring It On* (#78 Feb. '01) and *Paging Mr Strike* (#6 Sept. '02). Their Australian national tour begins on November 17th.

No.50 FROM A BASEMENT ON THE HILL – Elliott Smith. Born in 1969, **Elliott Smith** began writing and recording songs at 14 years of age. He worked away in relative obscurity until 1997 when he was nominated for an Academy Award for the song *Miss Misery* from the movie *Good Will Hunting*. *From A Basement On The Hill* is released posthumously as he committed suicide on October 21, 2003. Previous chart successes include *XO* (#46 March '99) and *Figure 8* (#45 May '00).

No.59 GREATEST HITS 1994-2004 – Tina Arena. A graduate from **Johnny Young's Young Talent Time**, **Tina Arena** survived the usual downward spiral that many child stars experience and, after a couple of reinventions, established herself as one of Australia's most successful female artists. Her chart successes include *Strong As Steel* (#17 Nov. '90), *Just Me* (#7 Nov. '01) *In Deep* (#1 Sept. '97) and *Don't Ask* which went to #1 a year after it originally charted, (one week short of, to be precise).

No.62 CHRISTMAS – Chris Isaak. Although he released his first album in 1985, it wasn't until 1990 when the single *Wicked Game* featured in **David Lynch's Wild At Heart** that **Chris Isaak** came to prominence. The actor/musician charted consistently in Australia, including *Wicked Game* (#8 May '99), *Forever Blue* (#2 Aug. '95), *Baja Sessions* (#8 Sept. '96), *Speak Of The Devil* (#11 Aug. '99) and *Always Got Tonight* (#12 June '02).
